

THINKING OF SIGNING AN A-CARD?

THINK AGAIN! The reality is that signing an A-card comes with **no guarantees but plenty of risks.**

Change your mind?
Too bad.
The card belongs
to the IAM.

Negotiating a first
contract **could take years.**

And there is no
requirement to start
from what you have -
**everything would be
on the table...**

Including a typical IAM
provision that would
require you to **pay dues or
be fired.**

It may **prevent**
any new Delta
improvements.

**DON'T RISK IT
DON'T SIGN IT**
