

IT'S ANOTHER MYTH

MYTH:

**"WE WILL HAVE A SAFER
WORK ENVIRONMENT."**

What the IAM is promising.

FACT:

The truth is Delta already has the safest work environment in the industry, with the lowest recordable injury rates – and we are always striving to do better.

By contrast, despite many IAM-represented employees, from 2015–2017 United had 33% more injuries than Delta, while American's injury rate was nearly double.*
