

WHY IS THE IAM DIGGING INTO YOUR PERSONAL INFORMATION?

Many Delta flight attendants are receiving pre-populated a-cards with personal information (some of it not current) about them and their families. The IAM is also asking flight attendants to renew a card they never signed.

Since Delta will never share your personal information, the IAM is using whatever they can get their hands on:

YOUR SON'S EMAIL ADDRESS

YOUR EX-HUSBAND'S PHONE NUMBER

IAM

YOUR ADDRESS WHEN YOU WERE 23

**The IAM is using any means necessary to find your information.
What else will they do if they get what they want?**

DON'T RISK IT. **DON'T SIGN IT.**
