

# IT'S ANOTHER MYTH

---

## MYTH:

**THE EIG IS AS FAKE,  
INSIGNIFICANT AND  
TRIVIAL AS BOTTOM RUNG  
MANAGERS OF STUDENT  
COUNCIL MEETINGS.**

What the IAM is saying about your fellow flight attendants.

## FACT:

The truth is the EIG in partnership with Delta leaders continues to drive millions of dollars in improvements to pay and many other issues flight attendants care about.

These include: **Holiday Pay, Minimum Rotation Guarantee, Vacation Pay, Credit Rigs, Out-of-Base Pick-ups, International Pay, A-Day Guarantee, LOD Pay, Multi-Leg Premium Pay, Expanded Cabin Jumpseat Booking, Crew Meals... and many more.**

The IAM knows the truth stands between them and your money, so they want to discredit the EIG. Yet what has the IAM accomplished for the flight attendants it represents?

**THE IAM - SELLING MYTHS AND EMPTY PROMISES.**

Be Delta. **Be Different.**
